

Independent Auditors' Report

To,
The Members of Allygram Systems and Technologies Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Allygram Systems and Technologies Private Limited ("the Company")**, which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "**Financial Statements**").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the director's report included in the annual report but does not include the financial statements and our auditor's report thereon. The above information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of financial position, financial performance including other comprehensive income, cash flows and statement of Changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances But not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Change in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with relevant rules issued thereunder;
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, in our opinion and according to the information and explanation given to us, the same is not applicable to the Company;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid or provided by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and as presented by the management.
 - (i) The Company does not have any pending litigations as at 31st March 2024 which would impact its financial position.
 - (ii) The Company has long term contracts as at 31st March 2024 for which there were no material foreseeable losses. There are no long-term derivative contracts.

- (iii) There were no amounts which were required to be transferred to the Investor Education and protection fund by the Company.
- (iv) (a) Management has represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) Management has represented to us that, to the best of its knowledge and belief, as disclosed in the notes to the financial statements no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on our audit procedure conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation given by the management under paragraph (2) (h) (iv) (a) & (b) contain any material misstatement.
- (v) The interim dividend declared and paid during the year, by the Company, is in compliance of section 123 of the Act.
- (vi) Based on our examination, which included test checks, the company has used an accounting software for maintaining its books of account that has a feature of recording audit trail (edit log) facility and the same has been effective from 20th July, 2023 for all the relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

- (vii) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE - A TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date on the financial statements to the members of Allygram Systems and Technologies Private Limited for the year ended 31st March, 2024)

- i. In respect of its Property, Plant and Equipment and Intangible Assets:
 - a. i) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments on the basis of available information.
 - ii) The Company has maintained proper records showing full particulars of Intangible Assets on the basis of available information.
 - b. As explained to us, Property, Plant and Equipment have been physically verified by the management during the year. No material discrepancies were noticed on such physical verification as compared with the available records.
 - c. According to the information and explanations given to us and on the basis of our examination, the Company does not own any immovable properties. Therefore, the provisions of clause 3(i)(c) of the Order are not applicable to the Company.
 - d. According to information and explanations given to us and books of accounts and records examined by us, Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
 - e. According to information & explanations and representation given to us by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii.
 - a. The company is in the business of rendering services and, consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii)(a) of the Order are not applicable to the Company.
 - b. During the year, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks and financial institutions on the basis of security of current assets. Accordingly, the provisions of clause 3(ii)(b) of the Order are not applicable to the Company.

- iii. With respect to investments made in or any guarantee or security provided or any loans or advances in the nature of loans, secured or unsecured, granted during the year by the Company to Companies, firms, Limited Liability Partnerships or any other parties:
- a. As per the information and explanations given to us and books of accounts and records examined by us, during the year the Company has not made any investments or not provided any guarantee or security or has not granted any fresh loans or advances in the nature of loans to Companies, firms, Limited Liability Partnerships or any other entities. During the year the Company has received back the loan, which was granted to a related party and at the yearend there are no loan outstanding.
 - b. In our opinion and according to information and explanations given to us and on the basis of our audit procedures, the terms and conditions of all loans are, *prima facie*, not prejudicial to Company's interest.
 - c. According to the books of account and records examined by us in respect of the loans, where the schedule of repayment of principal and payment of interest has been stipulated. During the year, the Company has received back the loan granted to a related party.
 - d. According to the books of account and records examined by us in respect of the loan, there is no amount overdue for more than ninety days.
 - e. In our opinion and according to information and explanations given and the books of account and records examined by us, loans granted which have fallen due during the year have not been renewed or extended and no fresh loans have been granted to settle the over dues of existing loans given to the same parties.
 - f. In our opinion and according to information and explanations given and records examined by us, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment.
- iv. In our opinion and according to the information and explanations given to us, the Company has not granted any loans or provided any guarantee or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of Sections 186 of the Act as applicable, in respect of grant of loans. During the year, the Company has not made investments or provided guarantees or security.

- v. According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Therefore, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
- vi. To the best of our knowledge and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub section (1) of section 148 of the Act in respect of the activities undertaken by the Company. Therefore, the provisions of clause (vi) of paragraph 3 of the Order are not applicable to the Company.
- vii. In respect of Statutory dues:
- a. According to the records of the Company examined by us, undisputed statutory dues including Goods and Service tax, provident fund, employees' state insurance, income tax, duty of customs, cess and any other material statutory dues have been generally regularly deposited with appropriate authorities. According to the information and explanations given to us, there were no undisputed amounts payable in respect of the aforesaid dues, which were outstanding as 31st March, 2024 for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) which have not been deposited with the appropriate authority on account of any dispute.
- viii. According to the information and explanations given to us and representation given to us by the Management, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. a. In our opinion and according to the information and explanations given to us and books of accounts and records examined by us, the Company did not have any loans or other borrowings from any lender during the year. Therefore, the provisions of clause(ix)(a) of paragraph 3 of the Order is not applicable to the Company.
- b. In our opinion, and according to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c. According to the information and explanations given to us and books of accounts and records examined by us, the Company has not obtained any term loan during the year. Therefore, the provisions of clause 3(ix)(c) of paragraph 3 of the Order is not applicable to the Company.

- d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that, prima facie, no funds raised on short term basis have been used during the year for long-term purposes by the Company.
- e. According to the information and explanations given to us and procedures performed by us, we report that the Company does not have any subsidiaries, or joint ventures or associate companies during the year and therefore, the provisions of clause 3(ix) (e) of paragraph 3 of the Order is not applicable to the Company.
- f. According to the information and explanations given to us and procedure performed by us, we report that the Company does not have any subsidiaries, joint ventures or associate companies during the year and therefore, the provisions of clause 3(ix) (f) of paragraph 3 of the Order is not applicable to the Company.
- x. a. The Company has not raised money by way of initial public offer or further public offer (including debt instruments) and therefore, the provisions of clause (x)(a) of paragraph 3 of the Order is not applicable to the Company.
- b. In our opinion and according to the information and explanations given to us and on the basis of our audit procedures, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, the provisions of clause (x) (b) of paragraph 3 of the Order are not applicable to the Company.
- xi. a. Based on the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
- b. According to the information and explanations given to us, No report under sub-section 12 of section 143 of the Act has been filed by auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. In our opinion, Company is not a nidhi company. Therefore, the provisions of clause (xii) of paragraph 3 of the Order are not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, all transactions with related parties are in compliance with sections 177 and 188 of the Act, as applicable and their details have been disclosed in the financial statements etc., as required by the applicable accounting standards.

- xiv. a. In our opinion, and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered the internal audit reports of the Company issued till date, for the year under audit.
- xv. According to the information and explanations provided by the management, the Company has not entered into any non-cash transaction with directors or persons connected with him as referred to in section 192 of the Act.
- xvi. a. To the best of our knowledge and as explained, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- b. In our opinion, and according to the information and explanations provided to us and on the basis of our audit procedures, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year as per the Reserve bank of India Act 1934.
- c. In our opinion, and according to the information and explanations provided to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- d. In our opinion, and according to the information and explanations provided to us, the Group has not any Core Investment Company (CIC).
- xvii. In our opinion, and according to the information and explanations provided to us, Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Therefore, provisions of clause (xviii) of paragraph 3 of the Order are not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. With respect to CSR contribution under section 135 of the Act:
- According to the information and explanations given to us and on the basis of our audit procedures, the Company has fully spent the required amount towards CSR and there is no unspent amount for the year that were required to be transferred to a Fund specified in Schedule VII in compliance with second proviso to sub-section (5) of section 135 of the Act.
 - According to the information and explanations given to us, the company does not have any ongoing projects and therefore, the provisions of clause (xx) (b) of paragraph 3 of the Order is not applicable to the Company.

Allygram Systems and Technologies Private Limited
Statement of cash flows for the year ended 31-March-2024
 (All amounts are in Rupees lakhs, unless stated otherwise)

Particulars	31-March-2024	31-March-2023
Cash flow from operating activities		
Profit before tax as per Statement of Profit & Loss	1,993.97	1,116.04
Adjustments for :		
Depreciation and amortisation expense	133.32	214.43
Interest income	(92.82)	(104.36)
Finance costs	25.89	11.00
Loss on sale of Property Plant & Equipment	-	0.08
Unrealised foreign exchange (gain)	(14.43)	(6.34)
Liabilities written back (Net)	(7.39)	(3.38)
Operating Profit before working capital changes:	2,038.54	1,227.47
Adjustment for:		
(Increase)/Decrease in trade and other receivables	(1,083.87)	(197.96)
(Increase)/Decrease in unbilled receivables	(183.41)	(279.99)
Increase/(Decrease) in trade and other payables	42.61	45.74
Cash generated from operations	813.87	795.26
Income taxes paid (net)	(356.06)	(108.91)
Net cash inflow from operating activities	457.81	686.35
Cash flows from investing activities :		
Purchase of property, plant and equipment	-	(10.53)
Fixed deposits matured	41.21	271.22
Interest received	88.01	105.74
Loan repaid/(given) to ultimate holding company	1,000.00	(1,000.00)
Net cashflow from/(used in) investing activities	1,129.22	(633.56)
Cash flow from financing activities :		
Lease payments	(127.09)	(79.37)
Dividend paid	(1,653.60)	-
Net cash used in financing activities	(1,780.69)	(79.37)
Net decrease in cash and cash equivalents	(193.66)	(26.58)
Cash and cash equivalents at the beginning of the year	275.94	302.52
Other Adjustment:		
OCI adjustment for cash flow hedge reserve	5.10	-
Cash and cash equivalents at the end of the year	87.38	275.94

(i) The above Statement of Cash Flows has been prepared under the "Indirect Method" as set out in Ind AS - 7 "Statement of Cash Flows".

(ii) Figures in brackets indicate Outflows.

(iii) Previous Year's figures have been regrouped / rearranged wherever necessary to make them comparable with those of current year.

Allygram Systems and Technologies Private Limited
Notes to financial statements
(All amounts in Rs. Lakhs, unless otherwise stated)

1. General Information

Allygram Systems and Technologies Private Limited ("the Company") is a Company limited by shares, incorporated on 11 July 2018 under the Companies Act 2013 and domiciled in India. The Company is engaged in the business of providing engineering design and engineering research and development services. Its registered office and principal place of business is in Off 4B Building, IT-8 Qubix Business Park, SEZ Plot 2 Blue Ridge Township, Nr. Rajiv Gandhi Infotech Park, Ph1 Hinjewadi Pune MH 411057 IN.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation

i. Compliance with Ind-AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

ii. Historical cost convention

The financial statements have been prepared on historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) measured at fair value.
- defined benefit plans

2.2. Summary of material accounting policies

a) Segment reporting

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) to assess performance and allocate resources.

The Company has determined that the Chief Operating Decision Maker (CODM) is the Board of Directors (BoD), based on its internal reporting structure and functions of the Board of Directors.

b) Foreign currency transactions

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

Allygram Systems and Technologies Private Limited
Notes to financial statements

(All amounts in Rs. Lakhs, unless otherwise stated)

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss and presented in the Statement of Profit and Loss on a net basis within Other expenses/Other income as the case may be.

Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c) Revenue recognition

Revenue from engineering services and allied services comprises of revenues earned from time and material and fixed price contracts. Revenue from time and material contracts is recognised as the related services are performed.

Fixed-price contracts include an hourly fee. Revenue is recognised in the amount to which the Company has a right to invoice. Customers are invoiced on a monthly basis.

Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

Financing components

The Company does not expect to have any contracts where the period between the transfer of the promised services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

d) Income tax

Income tax expense represents the sum of current tax (including income tax for earlier years) and deferred tax. Tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognised in equity or other comprehensive income is also recognised in equity or other comprehensive income.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses, unutilised tax credits and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry

Allygram Systems and Technologies Private Limited

Notes to financial statements

(All amounts in Rs. Lakhs, unless otherwise stated)

forward tax losses, unutilised tax credits and allowances can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred Tax liabilities and assets (including MAT Credit Entitlement) are reviewed at the end of each reporting period.

e) Leases

As a lessee

Leases are recognized as a right-of-use asset and a corresponding lease liability at the date at which the leased asset is available for use by the Company.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments –

- Fixed payments (including in-substance fixed payments) less any lease incentives receivable
- Variable lease payments that are based on an index or a rate, initially measured using the index or rate as at the commencement date.
- Amounts expected to be payable by the Company under residual value guarantees
- The exercise price of a purchase option if the Company is reasonably certain to exercise that option, and
- Payments of penalties for terminating the lease, if the lease term reflects the Company exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the company would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received
- uses a build-up approach that starts with a risk-free interest rate adjusted for credit risk for leases held by the Company; and
- makes adjustments specific to the lease, e.g. term, currency and security.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following –

- The amount of the initial measurement of the lease liability.
- Any lease payments made at or before the commencement date less any lease incentives received.
- Any initial direct costs, and

Allygram Systems and Technologies Private Limited
Notes to financial statements
(All amounts in Rs. Lakhs, unless otherwise stated)

- Restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis as an expense in profit or loss.

Payments associated with short-term leases and all leases of low-value assets are recognized on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low value assets comprise IT equipment and small items of office furniture.

f) Impairment of assets

Non-Financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

g) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

h) Other financial assets

i. Classification

The Company classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those to be measured at amortized cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income, as elected. For investments in debt instruments, this will depend on the business model in which the investment is held.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Allygram Systems and Technologies Private Limited

Notes to financial statements

(All amounts in Rs. Lakhs, unless otherwise stated)

ii. Recognition

Financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

iii. Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at 'fair value through profit or loss' are expensed in profit or loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments as follows:

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in Other Income using the effective interest rate method. Any gain or loss arising on derecognition is recognized directly in profit or loss and presented in Other Income.

Impairment losses are presented as a separate line item in the statement of profit and loss

iv. Derecognition of financial assets

A financial asset is derecognized only when

- Company has transferred the rights to receive cash flows from the financial asset.
- retains the contractual rights to receive cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

v. Income recognition

Interest income from financial assets at amortized cost is calculated using the effective interest method and is recognized in the profit or loss as part of Other Income.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit impaired. For credit impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

Allygram Systems and Technologies Private Limited
Notes to financial statements

(All amounts in Rs. Lakhs, unless otherwise stated)

i) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

j) Derivatives and hedging activities

Derivatives are only used for economic hedging purposes and not as speculative investments. They are presented as current assets or liabilities to the extent they are expected to be settled within 12 months after the end of the reporting period .

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The company does not designate derivative contracts as hedging instruments and therefore subsequent changes in fair value are recognised in profit or loss.

k) Property, plant, and equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate the costs of the assets, net of their residual value over their estimated useful lives

Assets	Useful life
Computer equipment	3 years
Servers and network	3 years
Furniture and fixtures	5 years
Office equipment	5 years

The residual values of the assets are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted prospectively if appropriate, at the end of each reporting period.

Allygram Systems and Technologies Private Limited
Notes to financial statements

(All amounts in Rs. Lakhs, unless otherwise stated)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amounts. These are included in profit or loss.

l) Intangible assets

Acquired intangible assets

Intangible assets are stated at acquisition cost less accumulated amortization and impairment losses, if any. Amortization period and amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Profit or Loss. The estimated useful lives of intangible assets are as follows:

Assets	Useful life
Computer software	3 years

m) Provisions and contingent liabilities

Provisions for legal claims are recognized when the Company has a present legal or constructive obligation as a result of past events. It is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at undiscounted amounts since the impact of discounting is not material.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

n) Employee benefits

Short term obligations

Liabilities for salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long-term employee benefit obligations

The Company has liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

Post-employment obligations

The Company operates following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

(i) Gratuity obligations

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(ii) Defined contribution plans

Provident fund

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are incurred.

Termination Benefits

Termination benefits are payable when employment is terminated by the Company before normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognizes termination benefits at the earlier of the following dates

- i. When the Company can no longer withdraw the offer of those benefits; and
- ii. When the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits

In case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

o) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

Note 3: Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's material accounting policies.

This note provides an overview of the areas that involve a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Significant Judgements

In the process of applying the Company's material accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

Allygram Systems and Technologies Private Limited
Notes to financial statements
(All amounts in Rs. Lakhs, unless otherwise stated)

1. Determination of lease term

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

For leases, the following factors are normally the most relevant –

- If there are significant penalties to terminate (or not extend), the Company is typically reasonably certain to extend (or not terminate).
- If any leasehold improvements are expected to have a significant remaining value, the Company is typically reasonably certain to extend (or not terminate).
- Otherwise, the Company considers other factors including historical lease durations and the costs and business disruption required to replace the leased asset.
- Most extension options in premises leases have not been included in the lease liability, because the contract does not give the Company a sole right to extend the lease but the same is subject to mutual consideration between the lessor and the Company.

The lease term is reassessed if an option is actually exercised (or not exercised) or the Company becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and is within the control of the lessee.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a material risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1. Estimation of defined benefit obligation

The costs, assets and liabilities of the defined benefit schemes operating by the company are determined using methods relying on actuarial estimates and assumptions. Details of the key assumptions and the sensitivity of the net assets/liability position to changes in those key assumptions are set out in Note 33. The Company takes advice from independent actuaries relating to the appropriateness of the assumptions. Changes in the assumptions used may have a significant effect on the statement of profit and loss and the balance sheet for the periods under review.

2. Income Tax:

Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to an adjustment to the amounts reported in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that taxable profit will be available against which the unused tax losses or tax credits can

Allygram Systems and Technologies Private Limited
Notes to financial statements

(All amounts in Rs. Lakhs, unless otherwise stated)

be utilised. This involves an assessment of when those assets are likely to reverse, and a judgement as to whether or not there will be sufficient taxable profits available to offset the assets. This requires assumptions regarding future profitability, which is inherently uncertain. To the extent assumptions regarding future profitability change, there can be an increase or decrease in the amounts recognised in respect of deferred tax assets and consequential impact in the statement of profit and loss.

3. Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

Net loss on foreign currency transactions and translations	-	4.58
Miscellaneous expenses	26.13	23.61
Total	553.71	547.30

Note : 30 Details of payments to auditors

Particulars	31-March-2024	31-March-2023
For Statutory audit fee	7.50	7.50
For Other services	6.10	10.50
For Tax audit fee	1.00	1.50
For Out of pocket expenses	-	0.53
Total	14.60	20.03

Note : 31 Expenditure related to Corporate Social Responsibility (CSR) as per section 135 of the Companies Act, 2013 read with schedule VII

Particulars	31-March-2024	31-March-2023
Amount required to be spent by the company during the year as per sec 135 of the Act read with Schedule VII	18.52	14.78
Expenditure incurred related to CSR	18.52	3.26
Excess spent during previous year(s) adjusted*	-	11.52
Amount of shortfall at the end of the year	-	-
Amount spent during the year:		
(i) Educational and training	7.40	-
(ii) Health care, sanitation and providing drinking water	11.12	3.26
Total amount spent	18.52	3.26

*During the previous year, the company has utilised excess amount of Rs 5.69 lakhs related to financial year 2020-21 and Rs 5.83 lakhs related to financial year 2021-22.

Allygram Systems and Technologies Private Limited
Notes forming part to the Financial Statements for the year ended 31-March-2024
 (All amounts are in Rupees lakhs, unless stated otherwise)

Note : 32 Employee benefit obligations

Particulars	31-March-2024	31-March-2023
Leave obligations (Refer Note A)	29.23	22.49
Non-current	23.66	17.74
Current	5.57	4.75
Gratuity (Refer Note B)	66.80	49.78
Non-current	61.81	47.32
Current	4.99	2.46

A Leave obligations

The leave obligations cover the Company's liability for sick leave and earned leave. The significant assumptions were as follows-

Particulars	31-March-2024	31-March-2023
Discount rate	7.20%	7.40%
Salary growth rate	10.00%	10.00%
Attrition rate	15.00%	15.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, promotion and other relevant factors such as supply and demand in the employment market.

B Gratuity

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days' salary multiplied for the number of years of service. The gratuity plan is an unfunded plan.

i The amounts recognised in balance sheet and movements in the net benefit obligation over the year are as follows :

Particulars	Present value of obligation	Fair value of plan assets	Net amount
1st April 2023	49.78	-	49.78
Current service cost	21.31	-	21.31
Interest expense/(income)	3.35	-	3.35
Total amount recognised in Profit or Loss	24.66	-	24.66
Remeasurements			
- Returns on plan assets	-	-	-
- (Gain)/loss from change in financial assumptions	0.82	-	0.82
- Experience (gains)/losses	0.42	-	0.42
Total amount recognised in Other Comprehensive Income	1.24	-	1.24
Employer contributions/premiums paid		-	-
Benefit payments	(8.88)	-	(8.88)
31st March 2024	66.80	-	66.80

Allygram Systems and Technologies Private Limited

Notes forming part to the Financial Statements for the year ended 31-March-2024

(All amounts are in Rupees lakhs, unless stated otherwise)

Particulars	Present value of obligation	Fair value of plan assets	Net amount
1st April 2022	47.53	-	47.53
Current service cost	17.50	-	17.50
Interest expense/(income)	3.16	-	3.16
Total amount recognised in Profit or Loss	20.66	-	20.66
Remeasurements			
- Returns on plan assets	-	-	-
- (Gain)/loss from change in financial assumptions	(1.91)	-	(1.91)
- Experience (gains)/losses	(14.33)	-	(14.33)
Total amount recognised in Other Comprehensive Income	(16.24)	-	(16.24)
Employer contributions/premiums paid		-	-
Benefit payments	(2.18)	-	(2.18)
31st March 2023	49.78	-	49.78

ii The net liability disclosed above relates to unfunded plans.

iii Significant estimates

The significant actuarial assumptions were as follows :

Particulars	31-March-2024	31-March-2023
Mortality table	IALM(2012-14) ult	IALM(2012-14) ult
Discount rate	7.20%	7.40%
Salary growth rate	10.00%	10.00%
Withdrawal rate	15.00%	15.00%
Mortality rate (in years)	6.38	6.39

iv Sensitivity analysis

The sensitivity of defined obligation to changes in the weighted principal assumptions is:

Assumption	Impact on defined benefit obligation	
	31-March-2024	31-March-2023
Discount rate		
1% decrease	71.21	53.04
1% increase	62.86	46.86
Salary increment rate		
1% decrease	63.50	47.33
1% increase	70.40	52.45
Withdrawal rate		
1% decrease	67.44	50.22
1% increase	66.22	49.38

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

Allygram Systems and Technologies Private Limited

Notes forming part to the Financial Statements for the year ended 31-March-2024

(All amounts are in Rupees lakhs, unless stated otherwise)

v Risk Exposure

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as companies take on uncertain long term obligations to make future benefit payments.

1 Liability risks

Asset-Liability mismatch risk:

Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements. Hence companies are encouraged to adopt asset-liability management

Changes in discount rate risk:

Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

Future salary increase and inflation risk:

Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

2 Unfunded plan risk

This represents unmanaged risk and a growing liability. There is an inherent risk here that the company may default on paying the benefits in adverse circumstances. Funding the plan removes volatility in company's financials and also benefit risk through return on the funds made available for the plan.

vi Defined benefit liability and employer contributions

The weighted average duration of the defined benefit gratuity plan is years (31 March 2024: 9.52 years)

The expected maturity analysis of undiscounted benefits is as follows:

Particulars	31-March-2024	31-March-2023
Upto 1 year	4.98	2.46
Between 2 - 5 years	45.58	31.50
Between 6 - 10 years	101.42	86.21

C Defined contribution plans

The Company also has certain defined contribution plans i.e., contribution to provident fund, employee state insurance plan and superannuation funds.

Contributions are made to provident fund for eligible employees at specified % of basic salary as per regulations. The contributions are made to registered provident fund administered by the government.

The expense recognised towards the defined contribution plans is as follows:

Particulars	31-March-2024	31-March-2023
Provident fund	58.59	43.30
Maharashtra Labour Welfare Fund	0.10	0.06
Total	58.69	43.37

Note : 33 Fair value measurements

Financial assets and liabilities at amortised cost and FVPL

Particulars	31-March-2024		31-March-2023	
	Amortised cost	FVPL	Amortised cost	FVPL
Financial assets				
Trade receivables	2,015.90	-	820.37	-
Cash and cash equivalents	87.38	-	275.94	-
Other bank balances	965.44	-	1,006.65	-
Loans	-	-	1,000.00	-
Others	75.03	-	70.12	-
Total financial assets	3,143.75	-	3,173.09	-
Financial liabilities				
Lease liabilities	281.14	-	40.57	-
Trade payable	21.29	-	28.88	-
Others	125.22	-	93.77	-
Total financial liabilities	427.65	-	163.22	-

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1 - Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published by mutual fund operators at the balance sheet date.

Level 2 - Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

Level 3 - Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, security deposits, loans, cash and cash equivalents, other bank balance, trade payables and other financial assets and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
The fair value of lease liabilities are approximate at their carrying amount due to interest bearing feature of these instruments.

iii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include

- The fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.

Note : 34 Financial risk management

This note explains the Company's exposure to financial risks and how these risks could affect the Company's future financial performance. Current year profit and loss information has been included where relevant to add further context. The Company's activities expose it to market risk, liquidity risk and credit risk.

A Credit risk

Credit risk arises from cash and cash equivalents, deposits with banks, security deposits, as well as credit exposure to outstanding receivables.

(i) Credit risk management

For banks and other financial institutions, only high rated banks/ financial institutions are accepted. The balances with banks, security deposits are subject to low credit risk and the risk of default is negligible or nil. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets.

Credit risk related to trade receivables arises from the possibility that customer will not be able to settle their obligations as and when agreed. The management is of the opinion that the credit risk on trade receivables is nominal as majority of the receivables are from related party.

B Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying business, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

i) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

31-March-2024	0 to 1 year	More than 1 to 3 years	More than 3 to 4 years	5 years & above
Lease liabilities	111.40	169.74	-	-
Trade payables	21.29	-	-	-
Other financial liabilities	125.22	-	-	-
Total	257.91	169.74	-	-

31-March-2023	0 to 1 year	More than 1 to 3 years	More than 3 to 4 years	5 years & above
Lease liabilities	40.57	-	-	-
Trade payables	28.88	-	-	-
Other financial liabilities	93.77	-	-	-
Total	163.22	-	-	-

C Market Risk

(i) Foreign currency risk

Currency risk means the risk that the result or economic situation of the Company changes due to changes in exchange rates. The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the EURO. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk is measured through a forecast of highly probably foreign currency cash flows.

(a) Foreign currency risk exposure:

The Company's exposure to foreign currency risk at the end of reporting period in INR (Lakhs), are as follows

Particulars	31-March-2024	31-March-2023
	EURO	EURO
Financial assets		
Trade receivables	1,262.79	250.66
Net exposure to foreign currency risk (assets)	1,262.79	250.66
Financial liabilities		
Trade payables	-	-
Net exposure to foreign currency risk (liabilities)	-	-

The sensitivity of profit or loss to changes in foreign exchange rates with respect to year end receivable balances is as follows:

Particulars	Impact on profit/ (loss)	
	31-March-2024	31-March-2023
Increase by 5%*		
EURO	63.14	12.53
Decrease by 5%*		
EURO	(63.14)	(12.53)

*Holding all other variables constant

(ii) Interest rate risk

Interest rate risk arises from borrowings with variable rates, which expose the Company to cash flow interest rate risk. The Company has no borrowings and therefore is not exposed to interest risk.

Note : 35 Capital management

For the purpose of Company's capital management, capital includes issued capital, all other equity reserves and debts. The primary objective of the Company's capital management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using gearing ratio, which is net debt divided by total capital (equity plus net debt). Net debt are non-current and current debts as reduced by cash and cash equivalents and current investments. Equity comprises all components including other comprehensive income.

In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or sell assets to reduce debt.

Particulars	As at 31st	As at 31st
	March, 2024	March, 2023
Total Debt	-	-
Less - Cash and cash equivalent	87.38	275.94
Net Debt	(87.38)	(275.94)
Total Equity (Equity Share Capital plus Other Equity)	3,771.68	3,733.29
Total Capital (Total Equity plus net debt)	3,684.30	3,457.35
Gearing ratio	NA	NA

 (All amounts are in Rupees lakhs, unless stated otherwise)

Note : 36 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ('CODM'). The board of directors has been identified as the CODM. The Company is primarily engaged in providing engineering design, and research and development engineering services.
 The CODM reviews the performance of the Company as a whole.

- a) Geographical information on revenue and business segment revenue information is collated based on individual customers invoiced or in relation to which the revenue is otherwise recognised:

Particulars	31-March-2024	31-March-2023
Within India	-	-
Outside India	4,272.18	3,228.38
Revenue from operations	4,272.18	3,228.38

Revenue of Rs. 4,389.46 lakhs (31 March 2023- Rs. 3,228.38 lakhs) are derived from Grammer Group Companies.

- b) All non-current assets other than financial instruments and deferred tax assets are located in India

Particulars	31-March-2024	31-March-2023
Within India	365.17	175.59
Outside India	-	-
Total non-current assets	365.17	175.59

Add: Potential number of equity shares		-	-
No. of shares used for calculation of diluted EPS	(B)	1,56,00,000	1,56,00,000
Diluted Earnings per Share of Rs.10/- each (In Rs.)	(A)/(B)	10.83	7.08

Note : 39 Additional regulatory information required by Schedule III

Key Financial ratios

Ratio	Numerator	Denominator	Current period	Previous period	% Variance	Reasons
Current ratio (times)	Current assets	Current liabilities	10.78	11.29	-4%	
Return on equity ratio (%)	Net Profit after Tax	Average Shareholders Equity	45%	35%	29%	Majorly due to increase in net profits
Trade receivables turnover ratio (times)	Revenue from operations	Average Trade Receivable	3.01	5.43	-45%	Mainly due to increase in trade receivables
Trade Payables turnover ratio (times)	Other expenses	Average Trade Payables	24.46	27.05	-10%	
Net capital turnover ratio (times)	Revenue from operations	Working Capital	1.44	1.06	35%	Mainly due to increase in the revenue during the year.
Net profit ratio (%)	Net Profit after Tax	Revenue from operations	40%	34%	16%	
Return on capital employed (%)	EBIT	Capital Employed	54%	30%	77%	Primarily due to increase in earnings before interest taxes.
Return on investment (%)	Interest income on fixed deposits	Fixed deposits	7%	5%	60%	Majorly due to better interest rate negotiated during the year.

* Debt-equity ratio, Debt service coverage ratio and Inventory turnover ratio are not presented as they are not applicable to the Company.

* Explanations to items included in numerator and denominator for computing the above ratios
EBIT is Earnings before interest and tax
Working capital = Current assets - current liabilities
Capital employed = Total Shareholders' Funds + Long-term borrowings + Deferred tax liabilities

Note : 40 Other regulatory information

(i) Title deeds of immovable properties not held in name of the company

The lease agreements for properties where the company is the lessee are duly executed in favour of the lessee. No immovable properties are held in the name of the company.

(ii) Registration of charges or satisfaction with Registrar of Companies

There are no charges or satisfaction which are yet to be registered with the Registrar of Companies beyond the statutory period.

(iii) Details of benami property held

No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(iv) Borrowing secured against current assets

The company has no borrowings from banks and financial institutions on the basis of security of current assets.

(v) Wilful defaulter

The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(vi) Relationship with struck off companies

The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) Compliance with number of layers of companies

The Company has complied with the number of layers prescribed under the Companies Act, 2013.

(viii) Compliance with approved scheme(s) of arrangements

The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(ix) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or
- provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- provide any guarantee, security or the like on behalf of the ultimate beneficiaries

(x) Undisclosed income

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(xi) Details of crypto currency or virtual currency

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.
