Press Release: Ceinsys Rebrands to CS Tech AI, Embraces AI-Driven Future

All India: Ceinsys, a prominent geospatial and technology solutions provider, has announced its rebranding to CS Tech AI. This change marks a strategic shift to underscore the BSE listed firm's focus on artificial intelligence (AI) and its role in driving technological innovation.

The move comes as Ceinsys positions itself for a future shaped by AI-driven solutions. The addition of ".ai" to the new rebranding reflects the Company's roadmap to integrate newer technologies including Artificial Intelligence (AI) into the Geospatial and Technology solutions that enable smart infrastructure and utility development. This highlights the Company's commitment to staying at the forefront of technology.

Explaining the rationale behind the rebranding, **Kaushik Khona, Managing Director, India Operations, of CS Tech AI**, said, "The rebranding of Ceinsys into CS tech with inclusion of suffix 'ai' is more than just a rebranding exercise—it represents our focus on the adoption of advanced technology into providing of solutions to our esteemed clients. AI is becoming the backbone of smart solutions, and this rebranding reinforces our commitment to innovation and relevance in a rapidly evolving landscape. It also allows us to communicate our vision more clearly and differentiate ourselves in the market."

As CS Tech AI expands its technological bandwidth, this rebranding reflects its ambitions to lead in AI integration and its readiness to deliver cutting-edge solutions.

The Corporate name of the Company continues to be Ceinsys Tech Ltd with change in URL to [www. cstech.ai](http://www.cstech.ai) from www.ceinsys.com
