**Dear Sir/Madam,**

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to announce that Mr. Tarun Raisoni, a distinguished entrepreneur and strategic investor of Ceinsys Tech Limited ('the Company') has agreed to be a strategic advisor for the Company.

His deep expertise in technology, business strategy, and operational excellence will play a pivotal role in strengthening the Company's position as a leading provider of engineering, geospatial, and digital solutions on a global scale.

Mr. Tarun Raisoni is the co-founder and former CEO of Rahi Systems, a global enterprise IT solutions provider. Under his leadership, Rahi Systems expanded to over 25 countries, achieving a revenue run rate exceeding \$500 million before its acquisition by Wesco International in 2022. His ability to drive sustainable growth and execute visionary leadership has been instrumental in transforming businesses.

Following the acquisition of Rahi Systems by Wesco, Mr. Tarun co-founded Gruve Inc., an AI-driven software solutions company. He also serves as a board member and advisor to several high-growth startups, providing strategic guidance on business expansion, digital transformation, and operational efficiency.

His advisory role at Company marks a significant milestone in the Company's journey. With his vast experience, he will be instrumental in shaping the Company's strategic direction and unlocking new opportunities for partnerships and innovation worldwide.

This is for your information and records.

Thanking you,

Yours faithfully
